

PERMIT APPLICATION: NRS #04-261

APPLICANT: Phil Greer
Greer Land Co., Cookeville, LLC
3620 Walden Drive, Suite 200
Lexington, KY 40517
(859) 269-1966 ext. 101

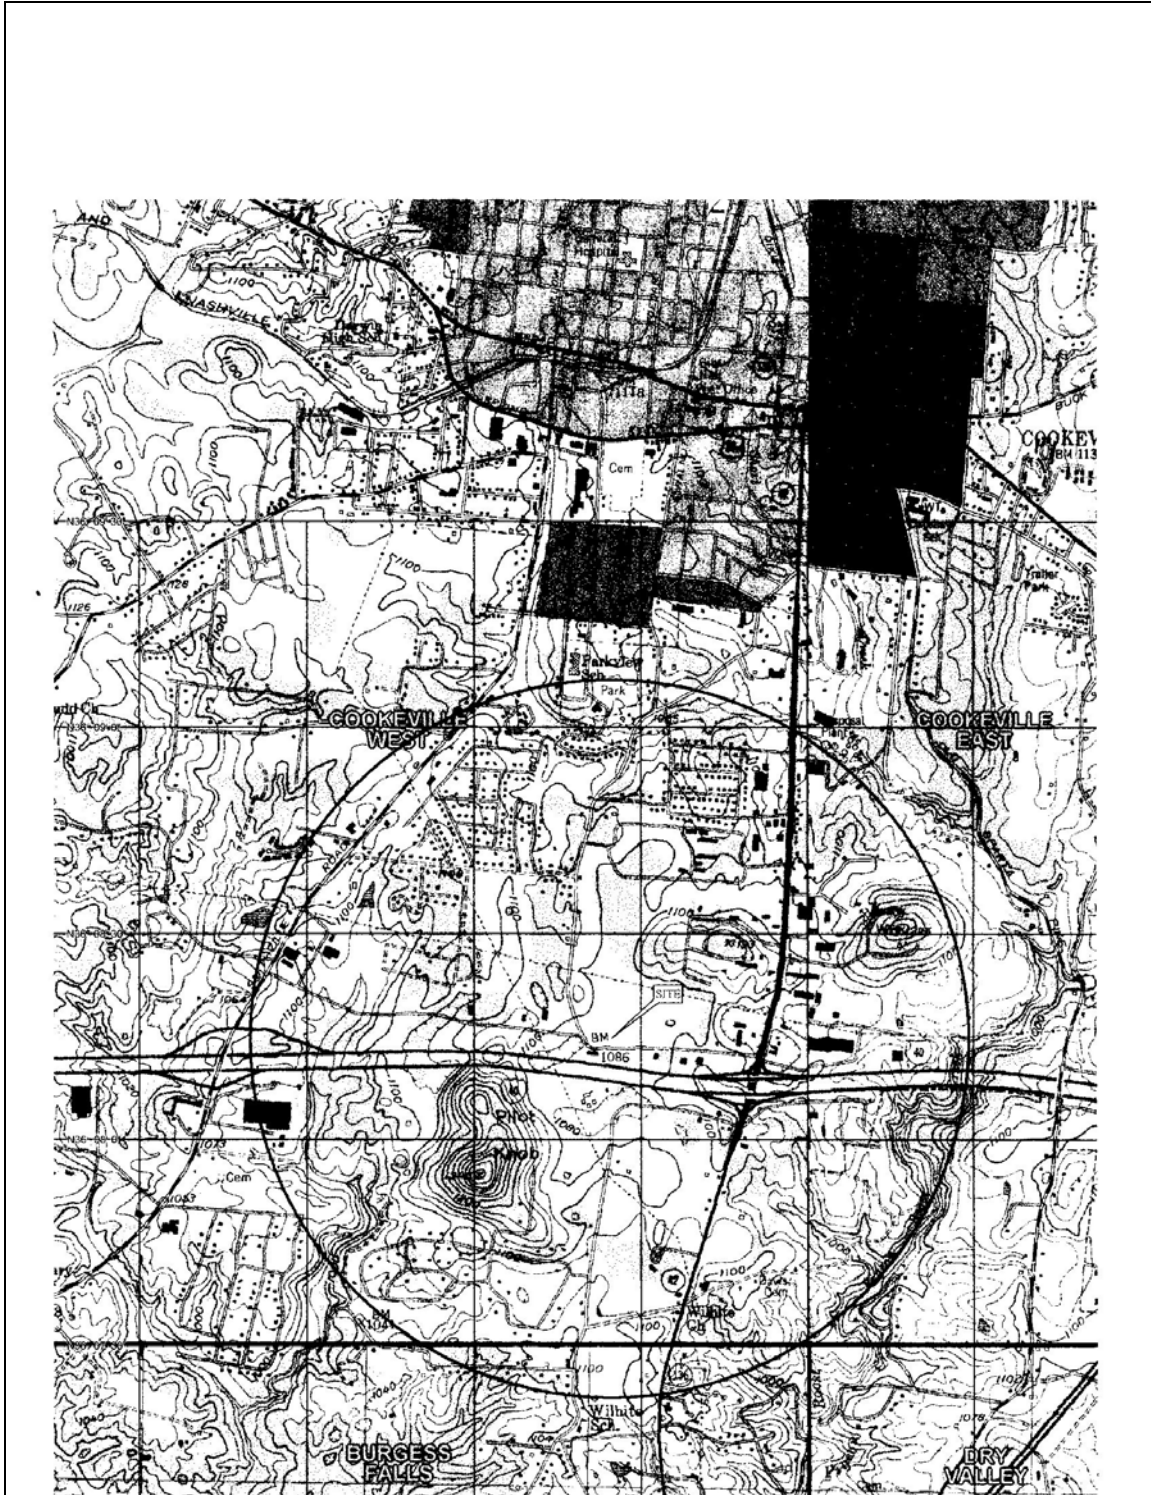

LOCATION: North side of Interstate Drive on land east of Rafferty's Restaurant,
Cookeville, Putnam County.

WATERSHED DESCRIPTION: The wetlands contain standing water ranging in depths from just surface coverage to several inches. They are dominated by herbaceous vegetation such as common rush, bulrush, and smartweed and small saplings of black willow, green ash, red maple, etc. The wetland has limited function in flood attenuation and wildlife support while maintaining a limited but diverse wetland community. Surrounding land use is commercial to the east, interstate to the south and open field and wetland sink to the north.

PROJECT DESCRIPTION: The applicant proposes to construct a restaurant on the 2.0 acre tract. The development will require the placement of fill in 0.22 acres of jurisdictional wetland. Compensatory wetland mitigation will occur on the Jim Ward tract in White County with the restoration of 0.44 acres.
